

Bønnebrev april 2018

Vi har ferske bønnebehov fra Vest-Sahara her, og deres ønske om forbønn handler om to ting.

1. Vær så snill å be om et åndelig gjennombrudd i flyktningeleirene, der mange for tiden tar i mot Jesus.
2. Vær så snill å be for et stort økonomisk behov for de kommende år. For 2019 har vår lokale partner et behov for rundt 20 000 euro hvert år, et behov vi akkurat nå ikke vet hvordan vi skal kunne møte.

Ferske bønnebehov M*rokko

- Pray for three new believers who got baptized two weeks ago. They all belong to a rather new group that started in the capital less than a year ago.
- Give praise for the 2nd leaders meeting that took place last month to study the Word & work on some local translation of the gospel. These meetings are taking place every second month.
- Pray for H**ids trip last week of April. A lot of individual meetings with co-workers & also planning for the Land of Prayer.
- Pray for an online campaign during April for Jesus film.
- Pray for wisdom, guidance, favor & provision for the coming steps for the land of Prayer.
- We thank God for getting our residence paper as a family. A**'s passport expires in August & we applied for renewal at the Mor. embassy. Pray that it comes soon without delay so we can make plans for summer
